Certificate of conformity of the factory production control

1301 – CPR – 1245

In compliance with Regulation (EU) No 305/2011 of the European Parliament and of the Council of 9 March 2011 (the Construction Products Regulation or CPR), this certificate applies to the construction product

Gabion box with hexagonal shaped hole and double twisted galvanized steel wire

Gabion boxes with hexagonal shaped hole and double twisted galvanized steel wire are intended to be used for: earth retention, soil reinforcement, river training, erosion control, fascia systems, architectural claddings, free-standing walls, sound barriers, noise mitigation works. The assumed working life of the gabion and mattress products for the intended use is 25 years for corrosion category C2 and 10 years for corrosion category C3 (according to EN ISO 9223) when installed in the works. The real working life may be, in normal use conditions, considerably longer without major degradation affecting the basic requirements works.

Placed on the market under the name of

DOJRAN STEEL DOOEL
s. Nikolic str. 1, 1485 Dojran
Republic of North Macedonia

and produced in the manufacturing plant

DOJRAN STEEL DOOEL
s. Nikolic str. 1, 1485 Dojran
Republic of North Macedonia

This certificate attests that all provisions concerning the assessment and verification of constancy of performance described in

ETA 16/0654 – version 04, issued on 09/06/2021

and

EAD 200039-00-0102

under system 2+ are applied and that

the factory production control is assessed to be in conformity with the applicable requirements.

This certificate was first issued on 7 February 2017 and will remain valid as long as neither the ETA, the EAD, the construction product, the AVCP methods, nor the manufacturing conditions in the plant are modified significantly, unless suspended or withdrawn by the notified factory production control certification body.
